

Listen & Act 4 Housing & Health

The Housing Alliance's Listen & Act 4 Housing & Health (LA4HH) civic engagement project will incorporate the voices of people with lived experience and expertise to make substantial positive changes in the rust belt, rural, and inner-ring suburb communities.

We want to hear from **YOU** about your health, housing, and community!

Click here to take
survey now:

www.beheardbehealthypa.org/housingalliance

After the initial survey, you will be asked to participate in recurring surveys through phone or email messages. In order for us to send you the surveys, you will need to provide your contact information.

Your identity will be kept confidential and you will be entered into raffle draw for those who continually participate in the surveys.
