

PA IRA Bootcamp Office Hours 10/31

1. Where can I find updates on Pennsylvania's Home Energy Rebate programs?

Pennsylvania's Department of Environmental Protection Inflation Reduction Act homepage¹ provides the latest on the state's IRA programs. Additional program updates for Pennsylvania and other states can be found in NHT's Home Energy Rebates State Tracker.²

2. What are the best ways to maintain staff's knowledge of the on-site systems and equipment? Are there programs or resources for maintenance staff?

Manufacturers can often send someone to your property and work with your team to ensure they have the proper training of onsite systems and equipment. Additional industry resources include Enterprise's training program.³
